Dear Ms. Wardlaw:

We have processed your Drug and Alcohol Testing Program Registration and a copy is enclosed. Please note your registration number is **CONN847D** for future reference.

Your program registration includes the following certificated repair stations or locations:

#	Name	Certificate #	Location
1	Southwind Aviation Supply Llc	UO9D076Y	Clermont, FL
2	Southwind Aviation Supply Llc	UO9R076Y	Oklahoma, OK

To complete your registration process, please contact your FAA Principal Maintenance Inspector and request that an “A2” and your registration number are added to Table 1 of the drug and alcohol paragraph (A449) in each repair station’s Operations Specifications.

Please note that your program registration will expire on **June 27, 2022** and we recommend that you submit a registration renewal prior to the date.

As a contractor with an active FAA-mandated testing program, you must implement your program no later than the date you start performing safety-sensitive functions for a part 119 certificate holder with authority to operate under parts 121 and/or 135, or an air tour operator defined in § 91.147. I have enclosed some information regarding how to implement your FAA-mandated testing program, as well as a brochure. For more information, please visit <http://www.faa.gov/go/drugabatement>.

If you have any questions, contact our office at (202) 267-8442 or [drugabatement@faa.gov](mailto:drugabatement@faa.gov).

Sincerely,

*Tamika Turner-Graydon*
